CHRISTMAS EVENTS

Christmas presents a wonderful reason to participate in one of our themed events. Our Christmas events are designed to work well either as a standalone event or as part of a larger Christmas conference or event. Whether it's an existing Team Tactics activity with a Christmas twist such as the cool Yuletide Treasure Hunt or an activity exclusive to the Christmas season like our Christmas Carol Chaos event, we have a wide range to choose from.

Some Christmas events are unique to the festive season, whilst others incorporate some of our best team building activities and add a Christmas twist, including mulled wine and of course, Santa hats! We can also arrange for add-ons such as Champagne and prizes for the winning team as well as a Christmas lunch or dinner if it is not already part of the event.
